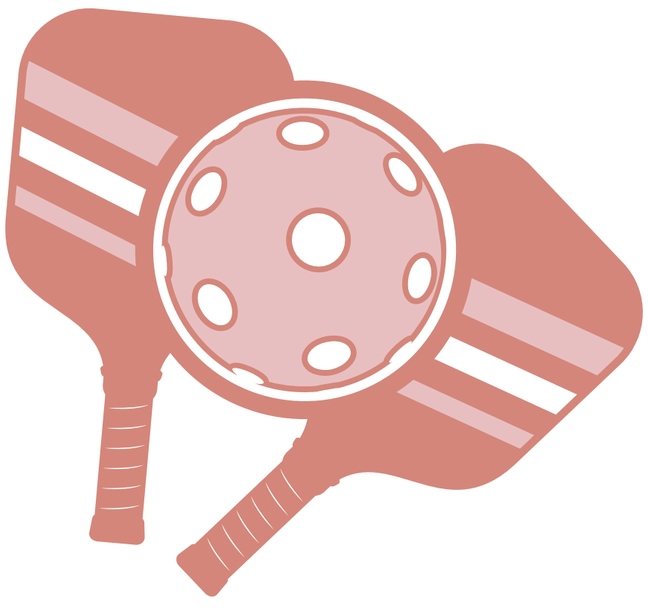
PICKLEBALL RULES



1. Four on & four off all three courts
2. There is ONE paddle waiting bucket for all three courts.
    a. If you are not in close proximity to the courts when it is your turn, your paddle ends up at the back of the bucket.
3. If you want to play with your own foursome, rubber band/tie your four paddle together and when they are all at the front of the line, it is your turn.
4. Coexist with the other humans, employees, players, and athletes in the building.
5. It is highly recommended that you wear protective eyewear.
