President's Message

Welcome to Spring! Our April potluck/bingo evening was great fun with tasty dishes furnished by the attendees and great bingo prizes. The "Spring Fling" dinner/dance event was attended by almost 100 members and, once again, the Chateau went above and beyond on the food! The flowers and other decorations gave us hope that spring is really just around the corner.

We hope to see you at our two May events. Our first-ever potluck-speaker event will be held at the Chateau on May 7th. Join Chief Ryan Sommers and Fire Marshall Mark Regan for their presentation focusing on Emergency Preparedness and Evacuation — including information on Making a Plan, Assembling a Kit and Staying Informed. This will be a 30-minute presentation followed by a 15-minute question and answer session. Then on May 21st, please join us for our Tex-Mex Fiesta Dinner and Dance. The menu, below, is sure to be a another treat for all from the Chateau!

Be sure to set aside August 20 on your calendar for one of our most popular events of the year – Not-So-Hot August Nights. Details will be forthcoming in future newsletters, BUT if you want to participate in the parade and car show, you can register now on our website, www.incliners.org.

Thank you again to all for your great support of our Incliners' events and all the other IVGID senior programs.

You can now register your car for the Not-So-Hot August Nights parade and car show at www.incliners.org.
