Overview

Incline Village General Improvement District (IVGID) Administration Team is located at 893 Southwood Boulevard in Incline Village and provides support services consisting of accounting, payroll, human resources, information technology, risk management, community relations, communications and executive/Board support for the District. These services are provided in support of the District’s operations of water, sewer, solid waste and recreation. We also work with members of the Crystal Bay and Incline Village community, other governmental agencies, and outside vendors seeking information about our agency.
