Public Comment Advisory Statement – *A public body has a legitimate interest in conducting orderly meetings. IVGID may adopt and enforce reasonable restrictions on public comment to ensure the orderly conduct of a public meeting and orderly behavior on the part of persons attending the meeting. Public comment, as required by the Nevada Open Meeting Law, is an opportunity for people to publicly speak to the assembled Board of Trustees. Generally, it can be on any topic, whether or not it is included on the meeting agenda. In other cases, it may be limited to the topic at hand before the Board of Trustees. Public comment cannot be limited by point of view. That is, the public has the right to make negative comments as well as positive ones. However, public comment can be limited in duration and place of presentation. While content generally cannot be a limitation, all parties are asked to be polite and respectful in their comments and refrain from personal attacks. Willful disruption of the meeting is not allowed. Equally important is the understanding that this is the time for the public to express their respective views, and is not necessarily a question and answer period. This generally is not a time where the Board of Trustees responds or directs Staff to respond. If the Chair feels there is a question that needs to be responded to, the Chair may direct the General Manager to coordinate any such response at a subsequent time. Finally, please remember that just because something is stated in public comment that does not make the statement accurate, valid, or even appropriate. The law mitigates toward allowing comments, thus even nonsensical and outrageous statements can be made. However, the Chairperson and/or General Counsel may cut off public comment deemed in their judgment to be slanderous, offensive, inflammatory and/or willfully disruptive. Counsel has advised the Staff and the Board of Trustees not to respond to even the most ridiculous statements. Their non-response should not be seen as acquiescence or agreement just professional behavior on their part. IVGID appreciates the public taking the time to make public comment and will do its best to keep the lines of communication open.*

AN ACT relating to general improvement districts; requiring the Legislative Auditor to conduct a performance and compliance audit of the Incline Village General Improvement District; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law authorizes a board of county commissioners to adopt an ordinance
2 forming a general improvement district and grant that district certain basic powers
3 to promote the health, safety, prosperity, security and general welfare of the
4 inhabitants of the district. (NRS 318.015, 318.116) After the adoption of an
5 ordinance creating a general improvement district, existing law provides for the
6 establishment of a board of trustees with broad powers to manage the district,
7 including, without limitation, the power to: (1) levy taxes; (2) fix or increase or
8 decrease certain rates, tolls, and charges associated with facilities and services
9 provided within the district; and (3) borrow money and incur or assume certain
10 forms of indebtedness. (Chapter 318 of NRS)

11 Prior to forming a general improvement district, a written service plan for the
12 proposed district must be filed with and approved by the board of county
13 commissioners of each county in which the proposed district is located in
14 accordance with the Special District Control Law. (Chapter 308 of NRS) Once a
15 general improvement district is approved, its facilities, services and financial
16 arrangements must conform to the filed service plan as originally submitted or with
17 approved modifications. (NRS 308.080) This bill requires the Legislative Auditor
18 to conduct, without expense to the Incline Village General Improvement District or
19 the Board of County Commissioners of Washoe County, a performance and
20 compliance audit of the Incline Village General Improvement District created by
21 that Board.

SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

- 1 **Section 1.** 1. The Legislative Auditor shall conduct a
2 performance and compliance audit of the Incline Village General
3 Improvement District established pursuant to chapter 318 of NRS
4 and in accordance with the Special District Control Law. The Board

6 required by the Legislative Auditor to assist with the completion of
7 the audit.

10 Village General Improvement District's compliance with and
11 performance under:

13 to chapter 308 of NRS; and
14 (b) Generally accepted principles of accounting.
15 3. The Incline Village General Improvement District and the

17 any financial obligation or expense in association with the audit
18 conducted pursuant to this section.
19 4. On or before January 31, 2019, the Legislative Auditor shall
20 present a final written report of the audit to the Audit Subcommittee
