Public Comment Advisory Statement – *A public body has a legitimate interest in conducting orderly meetings. IVGID may adopt and enforce reasonable restrictions on public comment to ensure the orderly conduct of a public meeting and orderly behavior on the part of persons attending the meeting. Public comment, as required by the Nevada Open Meeting Law, is an opportunity for people to publicly speak to the assembled Board of Trustees. Generally, it can be on any topic, whether or not it is included on the meeting agenda. In other cases, it may be limited to the topic at hand before the Board of Trustees. Public comment cannot be limited by point of view. That is, the public has the right to make negative comments as well as positive ones. However, public comment can be limited in duration and place of presentation. While content generally cannot be a limitation, all parties are asked to be polite and respectful in their comments and refrain from personal attacks. Willful disruption of the meeting is not allowed. Equally important is the understanding that this is the time for the public to express their respective views, and is not necessarily a question and answer period. This generally is not a time where the Board of Trustees responds or directs Staff to respond. If the Chair feels there is a question that needs to be responded to, the Chair may direct the General Manager to coordinate any such response at a subsequent time. Finally, please remember that just because something is stated in public comment that does not make the statement accurate, valid, or even appropriate. The law mitigates toward allowing comments, thus even nonsensical and outrageous statements can be made. However, the Chairperson*

and/or General Counsel may cut off public comment deemed in their judgment to be slanderous, offensive, inflammatory and/or willfully disruptive. IVGID appreciates the public taking the time to make public comment and will do its best to keep the lines of communication open.
