EXPLANATION OF RECREATION PHOTO IDS AND RECREATION PUNCH CARDS

The property owner may assign the Recreation Photo IDs or Recreation Punch Cards to anyone eligible to receive a Photo ID and/or Punch Card by filling out an Assignment of Recreation Privileges form. The owner chooses the length of time the **Recreation Photo IDs** are to be issued for – anywhere from a minimum of six months to a maximum of five years. **Recreation Punch Cards** expire each year on May 31st.

If the owner requires more Recreation Photo IDs or Recreation Punch Cards, he/she may purchase up to three at a time at 1/5 current yearly recreation assessment fee.** If the owner requires more than three additional passes he/she would need the approval of the Parks and Recreation Director or his/her designee. These **Recreation Photo IDs** expire one year from the date of purchase. **Recreation Punch Cards** expire on May 31st.

RECREATION PHOTO ID

The **Recreation Photo ID** can only be used by the person whose picture is on it. It can be used for the following:

- 2) To get the Resident daily rates for golf** (Championship and Mountain Courses), tennis (IVGID Tennis Complex), skiing (Diamond Peak Ski Area), and the Recreation Center
- 3) To get the Resident rate for season passes at tennis and ski
- 4) To get the Resident rate for temporary, ongoing monthly, and annual Recreation Center memberships

If a person loses his/her **Recreation Photo ID**, or **Recreation Punch Card** there is a \$15.00 replacement fee.
