HUNTING PROGRAM REGULATIONS

All persons hunting the Wetlands shall abide by the following regulations. All participants not observing these regulations may be subject to the penalties outlined in the Violation Point, which is merely a guideline. Hunt Supervisor can and will decide on infraction and deal with it accordingly.

1. Access to the Wetlands is allowed on designated hunt days only or on scheduled volunteer workdays. The designated hunt days are, all day Wednesday, 1/2 day Saturday A.M., all day Sunday.

2. Hunting Vouchers may be used at any time during the season and you must work SIX FULL HOURS. Workday sign up is required to document hours and days. Vouchers do not carry over year to year.

3. Blind assignments for the AM and PM hunts will be determined by the draw. The Hunting Program Supervisor will conduct the draw at one hour before legal shooting time for the AM draw and at noon for the PM draw. Hunters arriving after the noon draw MUST BE set and in the blind TWO hours before the end of the hunt day. Hunt Supervisor will direct late hunters as to where they can go so it will not interfere with hunters already in the field.

4. All members and guests MUST sign in before entering the field, sign out at the end of the day, and record your daily waterfowl results before leaving the property. You must sign out and record the birds you harvested not your hunting partners.

5. All shooting must be from designated blinds or approved areas by the hunt supervisor. Jump shoot periods shall be in approved areas not interfering with occupied stationary hunting locations. Hunt supervisor has the right to not allow jump shooting depending on conditions. Hunting in closed areas is prohibited which is identified on the area map. The Hunt Supervisor must approve pursuing wounded birds into closed areas.

6. All hunters should be in their assigned blinds ½ hour before shooting time with decoys set.

7. All State and Federal hunting regulations must be observed.

8. Removal of artifacts from the site is prohibited.

9. Vehicles must be parked in designated parking areas. Driving on other roads is prohibited unless approved by the Hunting Supervisor. Ask if you are not sure.

10. Dogs are to be trained for waterfowl hunting. They are to be on lead at all times and released only to retrieve birds. Abuse of Dogs is not allowed or tolerated at any time and if caught the hunter will be expelled from the site for the next three hunting days or longer depending on infraction and possibly reported to the D.C. animal control department. Hunting dogs are not allowed in the Control Building.

11. Be considerate of other hunters. Do not sky bust or shoot below the horizon.

12. Camping is not allowed. The gate will be locked one hour after sunset, get out of the field as soon as possible. Locks other than IVGID issue will not be allowed except as designated by IVGID management.

13. Keep the area clean. Do not litter with shotgun shells, feathers, entrails, paper, cans, bottles, etc. Birds are not to be cleaned at the site. Remove all trash when you leave the blind. If trash was left in the blind prior, report it to the supervisor. Trashcans and plastic bags are provided at the Control Building. **Failure to clean up trash could result in closing the site to hunting.**

14. Hunt safely. Be careful of deep water and mud areas. Some areas are over your head.

15. Fishing is not allowed.

16. Observe all safety zones.

17. Non-toxic shot is required.
18. Junior members must hunt with an adult member and must have a valid hunting license and required stamps.

19. IVGID equipment is not to be used by non-IVGID persons on the premises unless permission is granted in advance by IVGID management.

20. Possession or use of alcohol or non-prescription drugs is prohibited. This is also covered in NRS 202.257.

21. Participants drawing a blind in the AM draw are entitled to remain in that blind all day. If another member arrives later, the member who drew the blind must stay for the entire hunt or both forfeit the blind. Those members that leave the site forfeit the blind they drew.

22. Members in the AM draw that decide to switch blinds MUST participate in the PM draw. Those members that arrive late and take a blind in the AM, must participate in the PM draw. Late is considered ½ hour after the draw time. All blind changes must be authorized by the Hunt Supervisor and before the opening shoot time. There must a legitimate reason for the blind change.

23. Junior hunters do not count as guests. Junior hunters who have not already filled out and paid for an application will be charged $5.00 per day.

24. IVGID employees may hunt on a space available basis, unless they are a paid participant in the program. Employees draw blinds after the paid participants draw. Hunting Supervisors are paid participants as part of their compensation as Hunting Supervisor.

25. Members are allowed 3 guest days per season of which 2 may be the same person at $40.00 per day and $30.00 per PM hunt on Sundays and Wednesdays. Junior workday vouchers may be used for any hunt days as a regular membership voucher as a preferential draw with an adult member over 21 years of age. Junior in this instance is 16 to 17 years of age. While Junior hunting is encouraged, for safety reasons juniors under age of sixteen cannot be assisting on work days.

26. Shooting is to be at or above the horizon unless retrieving a wounded bird. Shooting on the water at another blind is grounds for expulsion from the program.
