NOTICE OF PUBLIC HEARING

IVGID is proposing a sewer and water rate increase, with an average increase on water rates of 4% and sewer rates of 4%, for a total average utility rate increase of 4%; as well as amendments to its Sewer and Water Ordinances (IVGID Ordinance 2 and 4, respectively), including:

The key changes to the Sewer Ordinance #2 are:
- Ordinance language changes include update to the leak relief policy to better account for sewer volume credits and updates to language to comply with plumbing and building codes.
- Exhibit A – New schedule of Sewer Service Charges.
- Exhibit B – New schedule of Connection Charges.
- Exhibit C – New Miscellaneous Fee Schedule.

The key changes to the Water Ordinance #4 are:
- Ordinance language changes include update to the leak relief policy to better account for sewer volume credits and updates to language to comply with plumbing and building codes.
- Exhibit A – New schedule of Water Service Charges.
- Exhibit B – New schedule of Connection Charges.
- Exhibit C – New Miscellaneous Fee Schedule.

Copies of the proposed ordinances are available at 893 Southwood Blvd., 1220 Sweetwater Road, and on our website at: www.yourtahoeplace.com/ivgid/resources/ivgid-ordinances

The public hearing will be held:
Wednesday, April 10, 2019 not earlier than 6:00 pm and as soon thereafter as practicable at The Chateau, 955 Fairway Boulevard, Incline Village, Nevada

The 2019 Rate Study and Presentation, which were presented to the Board of Trustees on January 23, 2019, are available on our website: www.yourtahoeplace.com/public-works/rates-billing/about-rates-billing. The documents detail our rate structure and why the rate increase is being proposed.

WASTE SAMPLING NOTICE

In March 2018 the Incline Village General Improvement District was required to take 18 samples and measure the chlorine residual in each of the 18 samples. The Incline Village General Improvement District collected the 18 samples but only recorded the chlorine residual in 15 of the samples taken. We violated one or more drinking water requirements. Even though it is not an emergency, as our customers, you have a right to know what happened and what we did to correct this situation. We are required to monitor your drinking water for specific contaminants on a regular basis. Results of regular monitoring are an indicator of whether or not our drinking water meets health standards. During March 2018, The District did not properly monitor, collect and report chlorine residual data and therefore cannot be sure of the quality of our drinking water during that time. This is considered a violation of a drinking water requirement from Incline Village GID NV0000158. Please share this notice with any who may have not received this notice directly.

The District immediately resumed normal monitoring schedule. The District submitted all information to the regulating authorities. This notice is in accordance with the Nevada Administrative Code. For more information please contact Joe Pomroy at 775-832-1269 or 1220 Sweetwater Road, Incline Village Nevada, 89451.
