NEIGHBORHOOD DOG WASTE STATIONS

We could use your help by volunteering to “adopt” a dog waste Mutt Mitt station(s) around Incline Village and Crystal Bay.

Mutt Mitt stations are available for property owners to install on their property in order to provide dog walkers with free doggy waste bags and an educational sign. Stations can also have a small trash can to put the bagged dog waste in (if the volunteer is willing to make sure they empty the can). Volunteers will be responsible for refilling the dispensers with new bags, which can be obtained from IVGID Waste Not.

If you are interested in volunteering please contact IVGID Public Works by email at pw@ivgid.org or phone (775) 832-1203.
