Hello and happy 4th of July to everyone in the Incline Village and Crystal Bay community!

As we kick off the heart of summertime in our village, I hope you all have a chance to get out and enjoy the different venues and amenities that IVGID provides. Maybe that means enjoying a few rounds of golf at one of our award-winning courses, or a round of disc golf in our beautiful forested disc course (check out the new course map in this edition). Others might grab a partner and whack a ball back and forth over a net at the Tennis & Pickleball Center - whether you choose a tennis ball or pickleball is up to you.

If action sports is your thing (or your kids' thing), the Incline Skate Park and the Robert & Robin Holman Family Bike Park are both great facilities for practicing your skills and meeting new friends. And just because it's summer and the weather is nice, don't forget about all the great classes, programs and workout equipment available year-round at the Incline Village Recreation Center - with great personal trainers available to help you get in peak fitness this summer!

Any list of amenities would not be complete without mentioning the

restricted-access beaches - truly the jewels of IVGID's recreation portfolio. We are continuing to upgrade access controls and staffing at the beaches to better serve our residents and their guests, including adding even more Beach Ambassadors to assist with any beach-related questions or problems you may have while visiting our beaches.

Speaking of the beach, we're excited to see the 4th of July fireworks returning to the Incline Village community, and our team is gearing up to handle the crowds who venture down to the beaches to view the spectacle. Please be courteous to our staff and follow the special rules in place to ensure everyone has a safe and memorable 4th of July experience!

### **Your IVGID Pass = Your Ticket To A Great Summer**

For local residents with IVGID Passes, it's super important to remember to bring your IVGID Recreation Pass (aka Picture Pass) with you to all of the IVGID venues you visit. Your IVGID Pass is the key to your access at the beaches, and your discounts at our venues. Our front-line staff at the venues CAN NOT just "look you up" in the system to determine what privileges you are entitled to without your IVGID Pass. And in order to comply with our Board of Trustees' directives around access and discounts, they can not simply take your word that you have an IVGID Pass. So please don't forget to bring it with you if you are asking for your IVGID discount or expecting to get into the restricted-access beaches. And if you are having any issues with your passes or need to change/renew them, stop by the Recreation Center and speak to the friendly folks at the Rec Counter.

### **Shout Out To Waste Not!**

Living and working in such a beautiful place is a privilege, and one that we don't take lightly. With that in mind, one of the programs I've come to appreciate more and more is our Waste Not department - which operates under the Public Works umbrella.

These staff provide resources for sustainable living in our mountain community, from bear awareness to household hazardous waste and e-waste recycling, with an emphasis on promoting all the benefits of drinking our award-winning Tahoe Tap® water to all who spend time in our community. If you're unfamiliar with everything this department provides, I encourage you to check out the Sustainable Living section of our new website to learn more.

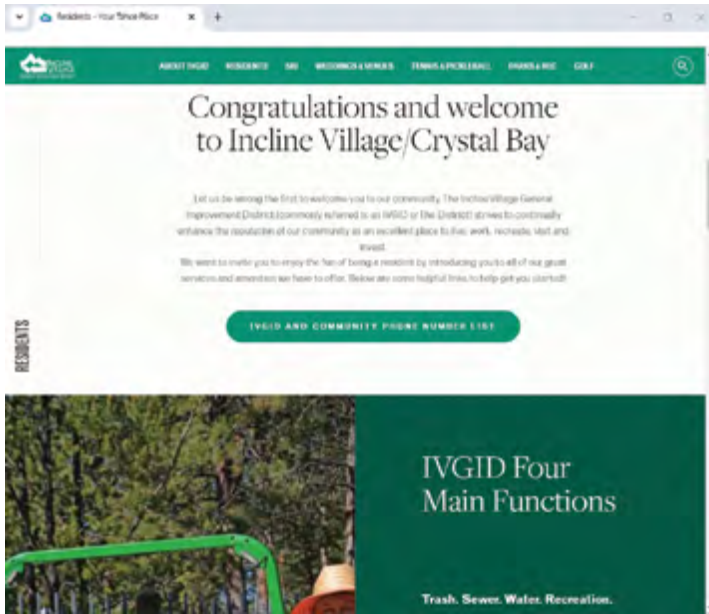

Finally, even though the outdoors beckons this time of year, there's still a lot of business getting done inside the IVGID offices and at our Board of Trustees meetings this summer. As part of our new website (more details on that later in this magazine), all of our meeting agendas and packets have been moved over to the new CivicPlus portal, which should make staying informed and getting involved in the important decisions being made by your elected representatives even easier.

The rest of this magazine contains hundreds of ideas on how to live your best Tahoe life, so happy reading and happy summer!

### NEW YOURTAHOEPLACE.COM WEBSITE

If you haven't browsed IVGID's new YourTahoePlace.com website recently, we encourage you to take a look. The Incline Village General Improvement District has recently upgraded our website platform to bring better functionality, modern design, increased security and accessibility to our website users.

In redesigning the YourTahoePlace.com site architecture, we asked our website development team - the Reno-based marketing and web development agency KPS3 - to look at our content with fresh eyes, with the goal of creating a user experience that works well for our local residents first and foremost, and also highlights the incredible services and amenities IVGID provides to all who visit our local community.

Notable changes you may notice - especially if you're familiar with the old website structure - include the consolidation of IVGID's governmental affairs, financial transparency and administrative functions under the "About IVGID" menu item in the website navigation. We've also created a new "Residents" menu item to host most of the information that's only relevant to those who live and/or own property here in town including water, sewer and trash service information, IVGID Passes and Punch Cards details, and resources for sustainable living in the community.

In addition to this content restructuring, the new website includes additional design elements that help us consolidate information better and utilize more of the beautiful photos from throughout our community. And the new website should also look and work better on mobile devices, which make up over 50% of the traffic to our website in this day and age.

Feature wise, the site search functionality has been upgraded. Now, if you're looking for a specific topic on the website, you can click the search magnifying glass icon (in the upper right) to search both webpages on the site, and/or documents uploaded to the site (e.g. PDFs that might include that search term). This functionality was requested by many of our community members, and we're excited to roll it out.

### New CivicPlus portal for meetings & agendas

Another big change website users will notice is the transition of all of our Board of Trustees meeting agendas and packets to their own dedicated online CivicPlus portal. You can dive directly into the CivicPlus portal at <https://ivgid.portal.civicclerk.com/>, or access it through the Meetings & Agendas page on the YourTahoePlace.com website. Either way, the CivicPlus portal is the new Board of Trustees' and Board-

### Give us your feedback

The process of upgrading and maintaining our District website is never-ending, and we would love to hear your feedback on the new YourTahoePlace.com website! We realize that a lot of content has moved around based on the new site structure, so we encourage everyone to use the Search button if you can't find something on the new website - we promise that we've brought over almost everything from the old website that's still relevant to District stakeholders today. (And if we missed something, just let us know.)

## ACTIVITY GUIDE

Looking to plan your best summer ever in Incline Village and Crystal Bay? Pick up a copy of our Incline Village & Crystal Bay Activity Guide at the Recreation Center, the IVGID beaches, Village Green restrooms or Preston Field bulletin board. Inside you'll find maps and information about all of the different indoor and outdoor recreational opportunities that IVGID provides for our community.

We will continue to make tweaks and upgrades based on user feedback and usage patterns we see over time. So feel free to send an email to [marketing@ivgid.org](mailto:marketing@ivgid.org) with any comments or questions you may have.

Sincerely,

## 2024 IVGID RECREATION PUNCH CARD UPDATES & FAQ

Commencing on June 1, the IVGID Recreation Punch Card renewal season began. Generally, Punch Cards can be renewed either online via the Recreation Punch Card renewal portal or by visiting the Parks & Recreation Department Counter inside the Incline Village Recreation Center.

Recent updates by the IVGID Board of Trustees on May 31, 2024, have brought changes to the value associated with Recreation Punch Cards. Below are answers to common questions about Punch Cards, with additional information available on the Passes & Punch Cards page on the YourTahoePlace.com website.

For further inquiries, please contact the Parks & Recreation Department Counter staff at 775.832.1310.

### What is the value for Recreation Punch Cards renewed on or after June 1, 2024?

For parcels with beach access, Punch Cards will be valued at \$90, which constitutes 1/5 of the \$450 combined Recreation & Beach Facility Fees for the 2024/2025 fiscal year. For parcels without beach access, Punch Cards will be valued at \$30, which constitutes 1/5 of the \$150 Recreation Facility Fee.

### Can I still use my Punch Cards at other IVGID venues?

Yes. Punch Cards remain valid at any venue, in accordance with the guidelines outlined in IVGID Ordinance 7 - Recreation.

## IVGID PASS UPDATES

Questions about updates to IVGID Recreation Passes and Recreation Punch Cards? Scan this to learn more on our website.

### If my parcel does not have beach access, can I still receive Punch Cards this year?

Yes. For the 2024-25 fiscal year, parcels without beach access will be subject to a Recreation Facility Fee of \$150, and each Punch Card will have a set value of \$30. Please note that these cards will not grant access to the beach, and purchased cards have other venue restrictions. Please contact the Recreation Counter for more information.

### Can I reload my Punch Card?

No. Punch Cards cannot be reloaded in the same fiscal year they were issued. If additional Punch Cards are required, you can purchase up to three more in most cases. For inquiries, please Rec Counter staff at 775.832.1310.

### If I want to switch my Punch Cards to IVGID Recreation Passes (aka Picture Passes), how do I do that?

Please refer to the Passes & Punch Cards section of the website for details. Note that you will need to pay the balance used from the Punch Card, up to its original amount, and there will be a \$15 administration fee to make the switch.

Remaining funding was raised through the Incline-Tahoe Foundation, by individual business and family hole sponsorships.

The Incline Tahoe Foundation is currently collecting funds to help with future improvements and upkeep of this facility. Visit the Disc Golf Course project page at [InclineTahoe.org](http://InclineTahoe.org) for more information or to make a donation.

## SLEEP BETTER THIS SUMMER

Sleep plays a crucial role in overall health and well-being, affecting nearly every aspect of our lives. During the summer, it can be challenging to maintain a good sleep routine due to longer daylight hours and warmer temperatures. Here are some tips to help you sleep better during the summer:

**Keep your bedroom cool:** Use fans or air conditioning to regulate the temperature in your bedroom. Aim for a temperature between 60-67 degrees Fahrenheit for optimal sleep.

**Block out light:** Invest in blackout curtains or wear a sleep mask to block out excess light.

**Stick to a routine:** Try to maintain a consistent sleep schedule, going to bed and waking up at the same time every day, even on weekends.

**Limit screen time:** The blue light emitted by screens can interfere with your body's natural sleep-wake cycle. Avoid using electronic devices like phones, tablets and computers at least an hour before bedtime.

**Stay hydrated:** Drink plenty of water throughout the day to stay hydrated, but try to limit your intake close to bedtime to avoid waking up to use the bathroom.

**Choose lightweight bedding:** Opt for lightweight, breathable bedding made from materials like cotton or bamboo to help you stay cool and comfortable throughout the night.

**Take a cool shower:** Taking a cool shower before bed can help lower your body temperature, making it easier to fall asleep.

**Relax before bed:** Engage in relaxing activities before bedtime, such as reading a book, practicing meditation or deep breathing exercises, or listening to calming music.

**Watch your diet:** Avoid heavy meals, caffeine, and alcohol close to bedtime, as they can disrupt your sleep.

**Exercise earlier in the day:** Regular exercise can help improve sleep quality, but try to avoid vigorous workouts close to bedtime as they can increase alertness and make it harder to fall asleep.

## SUMMER HEALTH & WELLNESS FUN

Wellness classes during the summer can be a fantastic way to take care of your physical and mental health while enjoying the warmer weather. Here are some popular classes occurring during the summer:

**Adult Ballet:** These classes offer a holistic approach to wellness, encompassing physical, mental and emotional benefits. Whether you are a beginner or have previous dance experience, ballet can be a rewarding and fulfilling activity for adults of all ages and fitness levels.

**Outdoor Yoga:** Practicing yoga in the fresh air can be incredibly rejuvenating. Several classes take place in the backyard of the Recreation Center allowing participants to connect with nature while improving flexibility, strength and mental clarity.

Improve your physical fitness, reduce stress and enhance your overall well- being by incorporating Tai Chi into your routine.

## MEET A TRAINER: SANDY RAVENS

### How long have you been a personal trainer?

I have been a certified personal trainer since 2012, and I have been teaching fitness classes since 1988 with a variety of professional certifications. I love learning, growing and motivating people along their journeys!

### What made you decide to be a personal trainer?

Witnessing the positive impact one can make in people's lives is incredibly fulfilling. There's a unique satisfaction in guiding a client towards their goals and watching them surpass even their own expectations. For me, becoming a personal trainer is a blend of my personal interests, my love for fitness and health, and a profound desire to empower others on their path to improved well-being through exercise and healthy living. Fitness and healthy living is transformative both mentally and physically. I enjoy sharing this with others and pushing them to be the best versions of themselves.

### What do you enjoy about being a personal trainer?

The best part of being a personal trainer is watching my client's successes no matter their age or condition. I see them go from good to great or beat a challenge they thought they could not overcome. That is extremely satisfying and pumps me up.

### Do you have a fitness mantra? If so, what is it?

There is no such thing as try...There is ONLY do!!! When you make the commitment to do something, you need to go for it and believe in yourself. Even small steps forward make a huge impact on life.

### Describe your personal training style?

My clients would say I have a very strange sense of fun. I like pushing myself and my clients. I like to be right alongside them, in the trenches, so they do not feel alone in the process. I know what it takes to get what my clients want, and I want to feel what they are feeling, especially the hard work and the successes. I love motivating people and that motivates me.

### Now that we are well into summer, what suggestions can you provide to help people stay motivated?

Fitness isn't a job, it's a lifestyle! Be creative in your workouts and your approach to fitness and health. The Tahoe lifestyle is 365 days of the year. There are so many ways to stay healthy and happy in this incredible fitness mecca that we live in. Since it is already summer, take advantage of the outdoors and apply your fitness there. Tahoe will reward you with beautiful vistas, wildflowers, fresh air, mountains and cool, clear water.

IVGID offers so many outdoor recreational delights from the private beaches where you can take off kayaking, paddleboarding or swimming to tennis/pickleball, golf, bike paths/parks and more. It won't be long before cooler temperatures set in so get outside, prepare for winter fitness and fun, and enjoy this magnificent place we call home. We are extremely fortunate and blessed everyday!

## Give the Gift of the Mountain

New scents by local artisans evoke the atmosphere of your mountain home.

You love the fresh mountain air and the scent of the North Shore forest (it's why you have a house here, after all!). Reno/Tahoe-based artisans Outlaw Soaps have released two scents (available in soap, lotion, body wash, cologne, and room spray) that capture our Incline Village scent just *perfectly*.

With special pricing for volume purchases like corporate gifts, wedding favors, and hospitality (your Air BNB guests will rave!), they're a natural choice.

Buy direct at [LiveOutlaw.com](http://LiveOutlaw.com) or inquire about volume pricing or custom blends from [Danielle@LiveOutlaw.com](mailto:Danielle@LiveOutlaw.com)

## SUMMER BEACH UPDATES

Dear residents of Incline Village,  
As we step into the peak of summer, I'm thrilled to welcome you to the vibrant beach season in Incline Village! By now, I hope many of you have spent a day or two soaking up the sun on our stunning IVGID beaches and are looking forward to many more.

I'm just as excited as you that the 4th of July fireworks are returning to our beaches for the first time since 2019! It's a momentous occasion that you won't want to miss.

As a reminder, please ensure your IVGID Recreation Pass (aka Picture Pass) or Recreation Punch Card is up to date before heading to the beaches. Our beach gate staff cannot assist with pass issues - this must be addressed at the Parks & Recreation Department Counter inside the Incline Village Recreation Center - and there's nothing worse than having to make that detour when all you want is to just lie in the sand.

So please, let's show our beach staff appreciation for their dedication to keeping the beaches restricted access, and understand that they are just doing their jobs if they ask you to visit the Rec Counter to sort out beach access issues.

Our Community Services Ambassadors, dressed in bright yellow, are here to assist you throughout the summer. They're ready to answer questions, resolve issues, and ensure everyone respects our beautiful Lake Tahoe environment and each other. Look out for them and feel free to seek their help or guidance on all things IVGID-related.

I look forward to seeing everyone embrace the summer spirit on our beautiful shores!

Wishing you sunny days by the water,

Meet the Summers-Whitton family, the visionary families behind Reno's most luxurious organic tequila brand, El Sativo. A family tied by love, marriage, and shared ambitions. Their journey finds its roots in the fertile soil of Jalisco, Mexico, where the Agave for their tequila grows—a testament to the family's deep connection to their craft.

Growing up in Reno, they've lived lives dedicated to art, service, and community, leaving an everlasting imprint on their beloved city. To us, Reno isn't just a place—it's our home, a precious place of memories from school days to family gatherings.

Partnering with their friends, the Montes family from Jalisco, they embarked on a quest to create a luxury sipping tequila unlike any other. Pouring their hearts, souls, and a sprinkle of Reno magic into each bottle, El Sativo became more than just a spirit—it became a symbol of their principles, a fusion of heritage and environmental stewardship.

Their tequila, born from a single estate, is a certified organic masterpiece, kosher and free of additives. From the slow-stone-oven-cooked Agave to the natural fermentation with native yeast, every step in our process is a labor of love. Our proprietary distillation method ensures that the Agave's essence remains intact, capturing its beneficial properties in every drop.

A rollercoaster ride of hard work and determination came together in a remarkable moment when El Sativo Organic Tequila won the coveted "Best in Class" medal and numerous double gold awards from the most prestigious San Francisco World Spirits Competition. This triumph wasn't just a win for their families; it turned Reno into the talk of the town as the place where the best tequila in the world was born.

Join us on this exciting adventure as we take bold steps together, elevating our brand and introducing our state-of-the-art sustainable distillery. With unwavering dedication to quality and authenticity, we honor the spirit of Reno with our story of unity and tradition as we celebrate a Better Tequila for a Better World. Be on the lookout for our new bottle.

## WELCOME LETTER FROM BASIA PHILLIPS

Operating our outdoor tennis and pickleball facility in Lake Tahoe requires flexibility, creativity and community. Spring weather encouraged many local volunteers to clear the courts of snow to welcome our season in early May, an honorable and tremendous effort by all who participated.

I am excited to welcome everyone back for another season working alongside our Head Pro, Sylvain Malroux, and many other familiar faces. When you visit us, you will notice that the entire upper tier of courts has been fully converted to a contiguous 15-court pickleball area, our response to the growing popularity and members' request to accommodate this sport.

Tennis also remains very popular and we will continue our yearslong support of our local USTA teams as they host visiting teams at our popular facility, and as they travel elsewhere to represent Incline Village.

We have also planned to continue our socials to promote team spirit and new friendships off the court, including 12 tennis socials on Tuesday afternoons, and six pickleball socials on

Thursday afternoons. We have always made efforts to provide a welcoming environment where tennis and pickleball enthusiasts can build new friendships, have seasonal reunions, temper neighborly rivalries, and enjoy some chuckles at our off-court socials.

If you are new to the area, please visit me in our Pro Shop at the Incline Village Tennis & Pickleball Center anytime. Our staff and I are a great resource for information and initiation, including pairing you with others with similar skill levels, and recommendations on equipment or techniques.

We hope to see you on the courts shortly.

## GOLF SHOP UPDATES

As we approach peak golf season, I encourage all of our residents and guests to stop in to the golf shops at the two Incline Village golf courses to see what's new this summer. There have been a tremendous amount of wonderful comments about how great the displays look in the Championship Course golf shop and I would like to give a special shout out to Lewana Phillips and Patti Boyed for their efforts to make the golf shop look incredibly inviting and shopper friendly.

We will have additional summer and fall lines arriving throughout the golf season. So stop in throughout the summer to see what's new - there's always something.

Looking for a great deal? Head on up to the Mountain Course golf shop for some great deals and discounted products. Shoppers can expect to find a rotating selection of apparel and accessories, often at a big discount off MSRP.

Turning from the apparel side of things, both the Championship and Mountain Course golf shops offer a variety of logo infused products such as putter covers, ball markers, and divot tools. These items are a wonderful way to represent Incline Village and make great gift ideas.

Lastly, if you are in the market for new golf clubs, the golf shop at the Championship Course carries a great

variety of clubs from brands such as XXIO, Titleist, Cobra and Ping. But even more importantly, if you are not sure which brand will best suit your needs, we offer club fitting services with Ashley Wood, our Head of Player Development at the Incline Village Golf Academy, to ensure you're using the perfect set for your game. You can also check out our website for a series of free Club Fitting Demo Days with these top brands.

## CELEBRATE THE FLAVORS OF SUMMER AT THE GRILLE

We look forward to welcoming everyone to The Grille this summer season. The Grille has a brand new menu highlighting golf course favorites with a nod toward fresh and flavorful ingredients.

But don't fret, you can still get a tasty salad topped with succulent roasted salmon or a filling cheeseburger stacked with bacon and cheese if you wish. However, we encourage you

to delve into our new offerings that include items like Smashed Avocado Toast with a tomato, basil and watercress salad, stacked on grilled local Truckee Sourdough bread, complete with soft cooked egg. Or try our Prosciutto and Brie grilled cheese on local brioche bread, with fresh baby arugula and a sun dried tomato chili crunch dressing. We have something for everyone on this menu.

Also, be sure to visit us on Sunday mornings beginning at 10am for our Brunch at The Grille. We will be offering a limited brunch menu with fan favorites including rotating specials with fun takes on classics like Peach Melba French Toast.

This season we will be returning to our first-come, first-served dining model for both the deck and the dining room, with reservations no longer needed or taken. This approach will allow more people to enjoy all that we offer.

Whether you are coming off the course after an amazing round amongst the pines or you are simply looking for a lunch spot with beautiful mountain views, we believe you'll feel right at home at The Grille. We look forward to serving you!

Residents can set yard waste for curbside collection on their regular pickup days free of charge from May 6 to July 19, and then again from September 30 to November 1, 2024. Yard waste left curbside outside of this time frame is considered trash and subject to excess bag charges.

WM mails (to the billing address) ninety-six (96) yard debris collection stickers that should be used whenever you dispose of yard waste. Accepted yard debris includes: pine needles, pine cones, garden waste, small bushes, small twigs, small branches, wood chip, bark, and lawn trimmings. No dirt, rocks, pet waste. Instructions:

- ▶ Place vegetative waste in heavy-duty bags and securely tie each bag.
- ▶ Please ensure that each bag does not exceed 40 pounds.
- ▶ Attached current sticker to each bag.
- ▶ Place bags curbside for collection on your regular service day.

You can also drop off loose or bagged yard debris using the stickers at Incline Village Transfer Station. Loose drop-off is encouraged and reduces plastic bag contamination.

## COMMUNITY CLEAN UPS

IVGID Waste Not organizes and promotes community cleanups in conjunction with The League to Save Lake Tahoe (Tahoe Blue Crew) and other local organizations. Waste Not would like to give a huge shout out to Incline High School students Samiya J. and Bekie S. for helping to organize the event and gather data on all the trash collected.

Mark your calendars for these upcoming cleanup dates with Diamond Peak Ski Team's Blue Crew, Pollution Penguins, this summer at Diamond Peak: July 5, 9am - 12pm and September 21, 9am - 12pm.
