

PLEASE READ BEFORE APPLYING

Here is a synopsis of what is tentatively scheduled and the limitations. Hunters will choose a blind based on the lowest number drawn/obtained lottery style, starting with the lowest number choosing a blind first then the next lowest number until all hunters have chosen a blind.

Vehicles are to leave access into the gated control building area and access along Vicky Lane and the dirt road open to the traveling public at all times.

Guests will be allowed this hunting season. Members may bring a total of three guests per season, of which one guest may hunt twice.
