

Resolution No. 1914

**A RESOLUTION ADOPTING SEWER – SCHEDULE OF SERVICE CHARGES,
WATER – SCHEDULE OF SERVICE CHARGES, AND FEE SCHEDULE
Incline Village General Improvement District**

WHEREAS, on the 14th day of May, 2025, a public hearing was held by the Board of Trustees of the Incline Village General Improvement District to consider the adoption of "Sewer – Schedule of Service Charges;" "Water – Schedule of Service Charges;" and "Fee Schedule"

WHEREAS, notice of said hearing was published as required by NRS 318.199; and

WHEREAS, testimony was presented as to the necessity for the adoption of the proposed amendments; and

WHEREAS, all interested parties were allowed at the public hearing and prior thereto, to present in writing or orally, information, views, and arguments; and

WHEREAS, the Board of Trustees, after considering all of the testimony, information, views and arguments, have determined that adoption of the proposed schedules is in the best interests of the District and is required.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE INCLINE VILLAGE GENERAL IMPROVEMENT DISTRICT, that it hereby adopts , these three schedules effective immediately.

* **Residential Variable Sewer Costs:** Variable sewer costs for residential customers are based on monthly water use as follows: During the non-irrigation months (December through April), the variable sewer cost is calculated using the metered water use value. During irrigation billing months (May through November), the variable sewer cost shall be the lesser of the metered water use value or the non-irrigation months' average metered water use. The non-irrigation months' average shall not be set at a value less than 3,000 gallons.

** Sewer Connection and Sewer Retroactive Capital Improvement Charges are based on water service size for billing purposes.
