

THE TEAMS BEHIND THE SCENES

HUMAN RESOURCES

Building the IVGID team

- Recruits, hires, and supports the year-round and seasonal employees who staff every District program and facility
- Administers employee benefits, training, and workplace safety programs
- Manages employee relations and labor matters, and keeps HR practices fair, consistent, and compliant with Nevada public employment law

INFORMATION TECHNOLOGY

Keeping IVGID connected

- Keeps the technology behind everyday District services running — from beach and pool entry scanning to online bill pay and reservations
- Protects District data and systems with modern cybersecurity practices
- Supports every department with the hardware, software, and network tools staff need to serve residents efficiently

ADMINISTRATIVE SERVICES

Supporting good governance

- Supports Board of Trustees meetings, public records requests, and community communications
- Helps the District operate transparently in compliance with Nevada public agency laws
- Organizes events and manages District vendors
