

IVGID's Vision Statement

With passion for quality of life and our environment, the Incline Village General Improvement District will enhance the reputation of our community as an exceptional place to live, work, invest and play.

IVGID's Mission Statement

The Incline Village General Improvement District delivers exemplary recreational experiences and provides the highest level of water, sewer and solid waste services while striving for fiscal and environmental sustainability.

IVGID's Value Statement

We are dedicated people providing quality service, for our community and environment, with integrity and teamwork.

IVGID's Mantra Statement

One District • One Team
